

Dear Herp Conservation Partner,

We are planning our upcoming Northeast Partners for Amphibian and Reptile Conservation (NEPARC) annual meeting which will be held July 17 – July 19, 2019, at Stockton University in Galloway, NJ. The first NEPARC meeting was held in NJ in 1999 and this upcoming meeting represents a 20th anniversary of the NEPARC community. NEPARC is a regional working group of Partners in Amphibian and Reptile Conservation (PARC) dedicated to the conservation of herpetofauna - reptiles and amphibians - and their habitats. This conference focuses on the presentation of practical information, conservation efforts and research regarding reptiles and amphibians from across the region including Connecticut, Delaware, District of Columbia, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, Vermont, Virginia, and West Virginia.

We expect over 120 attendees from state and federal agencies, environmental consultants, NGOs, academic researchers and students. We hope that you or a representative of your organization can join us for this great annual event. To register please visit <http://northeastparc.org/next-meeting-info/>

We are also writing to ask that you consider being a sponsor for this event. Your funds will provide important support for the conservation of herpetofauna in our region. Sponsorships help offset the cost of the meeting itself, keep the cost for students attending the conference low, and allow us to continue to offer some students waived registration in the form of student grants. Over the last several years, we have also supported student cash awards for best presentations. All sponsors' names will be included in the meeting agenda and will receive verbal acknowledgement during the meeting opening session. Please see additional information for sponsors below.

Thank you for your generous support and we look forward to seeing you in July.

Warm regards,

Noelle Rayman-Metcalf
Co-chair, NEPARC
U.S. Fish and Wildlife Service

Anne Stengle
Co-chair, NEPARC
Holyoke Community College

BECOME A 2019 NEPARC MEETING SPONSOR
