

Northeast Partners in Amphibian and Reptile Conservation (NEPARC)

Community Conservation Award

Nomination Information

About the Award: This Award is presented by Northeast Partners in Amphibian and Reptile Conservation (NEPARC) to recognize an individual who has made a considerable contribution(s) to the conservation of amphibians and reptiles in a particular state or geographical area in the NEPARC region. The award recognizes someone who works with partners to advance herpetofaunal conservation efforts at a state or local level where achievements have contributed to preventing the loss of species or their habitats, or who has educated others in furtherance of the NEPARC mission.

The recipient is presented with the award at the Annual Meeting of NEPARC, which is typically held in July or August. Recipients are awarded free registration, lodging and meals for this meeting, as well as a plaque commemorating the award.

Award Criteria:

Nominees may be submitted by third parties or self-submitted, and must meet the following criteria:

1. Any person who has displayed exemplary commitment to building or strengthening partnerships at the state or local level, particularly with stakeholders outside the individual's organization or with non-traditional stakeholders that further the mission of NEPARC.
2. Special consideration will be given to any person who has exhibited tenacious effort, leadership and professionalism in a manner that is inspiring to their peers, and who has been overlooked by other means of acclaim.
3. Nominees need not be current members of the NEPARC organization, and current members of the NEPARC Steering Committee (SC) are not eligible for nomination.

Nominations:

The NEPARC co-chairs make a call for nominations prior to the annual meeting and distribute information about the award, including the attached nomination form. The NEPARC SC will review nominations and conduct an anonymous vote to select a recipient. The award will only be given out in years where at least one qualified applicant is received, but a maximum of one award per year will be given.

Submission:

Please send the completed nomination form (below) along with any supplemental information to:

Andy Adams, sr. Co-Chair (neparc2021@gmail.com), by July 9, 2021.

Nominations received after this date cannot be considered. Incomplete forms will also not be considered; please complete forms carefully! Award winner will be notified in early August.

Thank you for submitting this nomination!

Others supporting this nomination (list names and affiliations):**Nomination:**

*[PLEASE NOTE: Responses to #1-3 should adhere to the word limits. Supplemental documents requested in #5 should be two pages or less. **The entire nomination package should be four pages or less, apart from the contact information above. Materials submitted that exceed these limits will not be considered.**]*

1. In brief, how has the nominee fostered herpetofaunal conservation in their geographical area in the northeast? (Please limit to 100 words or less)
2. Please describe how the nominee has displayed an exemplary commitment to building or strengthening partnerships in their geographical area in the northeast. Please provide examples of partnerships in which the nominee has been involved that benefit herpetofaunal conservation. (Please limit to 250 words or less.)
3. Please describe how such partnerships significantly improved herpetofaunal conservation in their geographical area in the northeast. (Please limit to 150 words or less.)
4. Please list any awards or recognition that the nominee has received for his/her work in herpetofaunal conservation.
5. Please provide a brief (not to exceed one page) CV for the nominee, and any supplemental information (not to exceed one additional full page). Supplemental information may be a brief biographical sketch or a letter of recommendation that illustrates the nominee's long-term conservation efforts, leadership and professionalism. (Please limit to two pages total.)
