

## PARC Increasing Professional Advancement Award - Travel Award for Northeast PARC

Meeting is July 23-25, 2023 at Wesleyan University in Middletown, Connecticut

**The Award:** Up to \$500 available to support eligible applicants to attend a regional meeting about amphibian and reptile conservation. This includes mentorship and at-meeting support.

**Eligibility:** Anyone interested in amphibians and reptiles of the Northeast AND who identifies as a member of a racialized minority group. At this time, we can only accept applications from United States citizens or resident aliens.

**Application:** Due June 15, 2023. Fill out the application at <https://tinyurl.com/PIPA-2023-Application>
