

Dear Amphibian and Reptile Conservation Partner,

We are planning our upcoming Northeast Partners for Amphibian and Reptile Conservation (NEPARC) annual meeting which will be held August 10-August 12, 2022, at Canaan Valley Resort State Park in Davis, WV. West Virginia hosts an impressive diversity of amphibians and reptiles, with over 90 species occurring in the state making it an ideal location to hold the upcoming NEPARC annual meeting. NEPARC is a regional working group of Partners in Amphibian and Reptile Conservation (PARC) dedicated to the conservation of herpetofauna – amphibians and reptiles - and their habitats. This conference focuses on the presentation of practical information, conservation efforts and research regarding reptiles and amphibians from across the region including Connecticut, Delaware, District of Columbia, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, Vermont, Virginia, and West Virginia.

We expect over 100 attendees from state and federal agencies, environmental consultants, NGOs, academic researchers and students. We hope that you or a representative of your organization can join us for this great annual event. To register please visit <http://northeastparc.org/next-meeting-info/>

We are also writing to ask that you consider being a sponsor for this event. Your funds will provide important support for the conservation of herpetofauna in our region. Sponsorships help offset the cost of the meeting itself, keep the cost for students attending the conference low, and allow us to continue to offer some students waived registration in the form of student grants. Over the last several years, we have also supported student cash awards for best presentations. All sponsors' names will be included in the meeting agenda and will receive verbal acknowledgement during the meeting opening session. Please see additional information for sponsors below. If an in-person meeting is cancelled (e.g., due to COVID-19, etc.) the sponsorship will be used towards the next in-person NEPARC meeting unless alternative arrangements are approved by NEPARC.

Thank you for your generous support and we look forward to seeing you in August.

Warm regards,

Jessica Meck
Co-chair, NEPARC
Smithsonian Conservation Biology Institute

Andrew Adams
Co-chair, NEPARC
Harford Community College

BECOME A 2022 NEPARC MEETING SPONSOR
Canaan Valley Resort State Park, Davis, WV | August 10-12
